

**Identifying Coins and Skip Counting**  
*Independent Practice*

**1** What number comes next?

- A. 19 \_\_\_\_\_
- B. 29 \_\_\_\_\_
- C. 59 \_\_\_\_\_

**2** What number comes next?

- A. 27 \_\_\_\_\_
- B. 48 \_\_\_\_\_
- C. 17 \_\_\_\_\_

**3** What number comes next?

- A. 69 \_\_\_\_\_
- B. 12 \_\_\_\_\_
- C. 59 \_\_\_\_\_

**4** Fill in the missing numbers from the table.

|    |    |    |    |   |    |    |    |    |    |
|----|----|----|----|---|----|----|----|----|----|
| 1  | 2  |    | 4  | 5 | 6  |    |    | 9  |    |
|    | 12 | 13 | 14 |   | 16 |    | 18 |    | 20 |
| 21 |    | 23 |    |   | 26 |    | 28 |    | 30 |
| 31 |    | 33 | 34 |   | 36 | 37 |    | 39 |    |

**5** Shade the counting by 10 numbers in the above chart.

**6** Write the numbers you shaded.

**7** What makes counting by ten numbers special?

**8** Draw lines to match the coin with the coin name.
